PE days

The children in the Brook will have the opportunity to experience some physical exercise each day. They have a 10 minute session each day in the football pitch and a morning playtime. In the afternoon they spend some time outside in The Brook yard carrying out a range of physical activities. Please could you send your child with an appropriate outdoor coat.

Key Dates

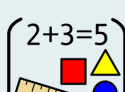

Date	Event
Thursday 17th April	Egg Diorama day
Friday 18th + Monday 21st	Good Friday, Easter Monday School closed
Week 4– 6 Various afternoons	Shop visit— Children will go in small groups on various afternoons.
Tuesday 20th May	Building Parent Event– 14.15pm
Friday 23rd May	Last day of 1/2 term

We are all really looking forward to continuing working with all the children in The Brook. The topic this half term is 'buildings and structures'.

 In **Literacy** the lessons will be topic based and focus on fairy tales and the buildings and structures within the different fairy tales. We will use assisted technology, (clicker) to support us. Handwriting, letter formation and sentence structures will also be a focus.

 In **Maths** we will continue to develop a greater understanding of number, addition and 2d shapes. The children in the Kingfisher room will focus on multiplication and 2d / 3d shape.

 In **Phonics/Spellings** we will continue working with the children on either their phonics knowledge or their spellings depending on their ability. The phonics / spelling session is first thing in a morning.

The Preparation For Adulthood sessions will focus on adapting to new environments, real world visits and road safety. The children will get the opportunity to visit the local shop.

 The afternoons will be structured around our individual EHCP targets, improving our fine motor skills and participating in activities related to building and structures. Each day the children will have opportunities to participate in activities which will enable them to develop their gross motor skills.

Home Learning

Please continue to look at books with your child and read with them as frequently as possible (ideally 3 to 5 times per week)

Again, we completely understand that everyone has individual circumstances and that this may not always be possible.
