

## Recommended Reads

We read lots of amazing books with the children in LKS2. Our 'recommended reading list' consists of books that we read in **every** class in LKS2. If you are looking for books to read at home with your children, this list is a great place to start.

TITLE	AUTHOR

Saturday 5th July	Malin Carnival
Friday 18th July	Last day in school for children
Monday 21st and Tuesday 22nd July	Inset Day (school closed for children)

## The Environment

For our final half term we are going to focus on the environment. We will be looking at the differences between conservation and preservation before looking at environmentalist Jane Goodall. We aim to focus on local environmental issues and even see if there are any issues we could get involved in.

In English, we are continuing the theme and will be reading about Jane Goodall and David Attenborough before we look to begin writing a persuasive letter regarding the environment. Watching programmes about David Attenborough and researching Jane Goodall and all of the actions they have both taken to help the environment would be a great use of some of this half-term's free time (do this if it's raining, if it's sunny, go outside and play!)

In maths, we will be continuing our topic on money before moving on to measuring: one of our favourite topics because it involves lots of water and looking at capacity in the sunshine! (Hopefully!)

PE will focus on cricket to follow on from our rounders unit last half term. Hopefully with a little friendly competition between classes along the way to test the children's new skills.

## Home Learning

We hope you are enjoying the practical homework we have sent via parent mail. We hope that these have been enjoyable tasks for your children to complete at home. All the classes now have access to times tables rockstars alongside the homework which arrives via parent mail.

**The children will receive their homework on a Tuesday and it will be due to be completed and handed by the following Tuesday morning.**

Please also continue to read as much as possible, the children are making amazing progress with reading and we want to keep it going!

*We understand that it is not always possible to achieve this every week, so we always advise people to fit this in with whatever works best in their personal circumstances.*

*Finally, remember that Edshed is also still available for your child to practise their times tables and spellings.*
