### Key Dates

Date	Event
w/c 7th October	SEND Parent meeting week
16th October	Individual Photos
21st and 24th October	Parents Evening

### Autumn 1 - Aboriginal Art

We are studying Aboriginal Art and this topic has already got off to an absolutely flying start with Aborigine Day. The teachers and children loved it and we learned a little of the background of the indigenous people of Australia before we really get into the technical aspects of watercolour painting over the coming weeks. We can't wait to send your children home with their artwork!

In English, the children will be getting back to basics with our SPaG focus which will help us with all of our writing for the rest of the year. Following that, we will be studying Aboriginal Dreamtime Stories before writing the setting and character descriptions for our own stories!

Maths learning will be place value where we manipulate numbers and number facts to be able to understand number in a deeper way. This will help us with all of the calculations and problems we will encounter for the rest of the year. A great foundation for the children's learning.

The Science for this half term is classifying animals using MRS NERG to help us! Ask your children about this I'm sure they'll be able to tell you already.

In PE, we are going to be learning how to play netball as well as keeping fit and healthy.

### Home Learning

We hope you are enjoying the practical homework we have sent via parent mail. We hope that these have been enjoyable tasks for your children to complete at home. We will continue to send out **times tables practise in paper format**.

Children who complete all of their homework tasks each week will be rewarded. **The children will receive their homework on a Tuesday and it will be due to be completed and handed by the following Tuesday morning.**

Please also continue to read as much as possible, the children are making amazing progress with reading and we want to keep it going!

*We understand that it is not always possible to achieve this every week, so we always advise people to fit this in with whatever works best in their personal circumstances.*

*Finally, remember that Edshed is also still available for your child to practise their times tables and spellings.*
