17th April	Egg Diorama Day
28th April—2nd May	Thornbridge (Y4 only)
20th May	Swimming Gala
23rd May	Class photos and last day of 1/2

Rivers and Mountains

The topic this half term is Rivers and Mountains. Firstly, we will be focussing on the geography of the world, identifying countries and continents before locating cities. We will then move on to mountains and how they are formed, before looking at rivers. The topic will include a very exciting day out looking at rivers and measuring their speed, width and depth (expect children to be a little wet following this day!) Look out for further details on the dates for this for your child's class. It would be great if the children could get to grips with places in the world during the holidays. Google Earth is a fun way to do this.

English will focus upon traditional tales, this is a new and exciting unit for LKS2 and the teachers are very much looking forward to teaching it.

In **maths** we will be completing our work on time before we move on to money. Time is a part of maths lots of children find tricky so a little bit of practise in the holidays would go a long way! The children have done really well so far but time is definitely a topic where practise makes perfect!

PE will be rounders and one final part of Tudor topic with Tudor dancing!

Home Learning

Y3s We hope you are enjoying the practical homework we have sent via parent mail. We hope that these have been enjoyable tasks for your children to complete at home. The Y3s will be joining the Y4s in accessing Times Tables Rockstars after the Easter break this is a fantastic online practise tool and you will receive more information shortly.

The children will receive their homework on a Tuesday and it will be due to be completed and handed by the following Tuesday morning.

Please also continue to read as much as possible, the children are making amazing progress with reading and we want to keep it going!

We understand that it is not always possible to achieve this every week, so we always advise people to fit this in with whatever works best in their personal circumstances.

Finally, remember that Edshed is also still available for your child to practise their times tables and spellings.
