## Key Dates

Last term we finished our 'disasters' geography work with some fantastic presentations from the children. The children have been so engaged with the Alma story and we have been busy creating some wonderful horror stories based on the eerie film. Sports Day was a huge success, the children demonstrated their fantastic sporting abilities as well as the wonderful resilience and sportspersonship. I think we may see some Malin Bridge Athletes at the Olympics in the future!!

## New Learning

In Summer we will be starting our new Design and Technology unit looking at sustainable fashion. We will be exploring the world of fast fashion and developing our sewing and textile skills to create our own fashion item. This will link with English where the children will be writing a set of instruction to accompany their DT project. There will be some fun easter activities to take part in throughout the half term, culminating in the exciting and much anticipated Egg Diorama event! During PE the children will be exploring parkour and we will be taking the children to Ninja warrior to give them an opportunity to put their skills to the test! Look out for more information on this nearer the time.

## Home Learning

Please continue to encourage your child to read regularly at home and practise their times tables. They can practise using spelling shed, SPAG.com and Hit the Button The children will also bring home maths homework to complete.
