## Upper KS2 Newsletter–Summer 2

Last term the children have been busy working hard to make their sustainable tote bags. Their sewing skills have been amazing with lots of creative designs! Huge congratulations to the Year 6 pupils—they have worked incredibly hard and have now completed their SATs! As always the children have shown maturity, determination and resilience and we are proud of all of them! The Ninja Warrior trip was a huge success and a lovely way to celebrate the end of SATs and for children to showcase their parkour skills.

### New Learning

In Summer 2 we will be continuing the theme of sustainability through a DT project where they will be exploring shopping and cooking sustainably. We will be learning how to play rounders this half term with a phase rounders tournament at the end of the half term. The Year 6 pupil will also be learning about the human body and puberty through the *Healthy Humans* topic. The year 5's will be exploring healthy lifestyles in Science, learning how to eat healthily and take care of our bodies. As well as a trip to the Crucial Crew for the Year 6 pupils, this half term will also be very busy with preparations and rehearsals for the greatly anticipated Year 6 play! Please look out for more information regarding the play, leavers assembly and other leavers activities.

### Home Learning

Please continue to encourage your child to read regularly at home and practise their times tables. They can practise using spelling shed, SPAG.com and Hit the Button. The children will also bring home maths homework to complete.
