We love reading story at Malin Bridge. Our 'recommended reading list' consists of books that we read in school. If you are looking for books to read at home with your children, this list is a great place to start.

Topic

We have been settling into our new buildings, making new friends and getting to know each other. Our topic for this half term is "Woodlands"

We will be exploring the what a woodland is and what animals we might find in there.

We will also be investigating Autumn and how the weather and environment is changing.

Your child will shortly be assigned a keyworker if you would ever like to discuss any concerns or have any questions, just ask a member of staff who will point you to the correct adult.
