

Dear Parents/ Carers,

Re: Victorian Experience Day

As part of our history unit on the Victorians, we have invited **'The History Van'** into school to teach the children all about daily life in the Victorian era. During the day, we will all take part in 5 workshops that involve chores in the Victorian home, making cutlery in a factory, writing with dip pens in a Victorian school, visiting a Victorian toy shop and then making their own Victorian toy to take home. This exciting day will help the children develop their knowledge of **continuity and change** during this important period in British history.

To make the day even more memorable, we are giving the children the option to **come dressed in Victorian style clothing**; however, this is not mandatory, and children may wear their normal school uniform. **Please see the attached photos for ideas.**

The visit will take place day on **Tuesday 7th May.**

To help towards the cost of the day, we are asking for a contribution of **£3.00 per child**. This should be paid through Parentmail.

If you have any questions, please don't hesitate to get in touch.

Kind regards,

Ben Dawson
